Professional Summary

MCA student and aspiring Software Developer with hands-on experience building web applications using React, Next.js, TypeScript, Node.js, and databases. Familiar with REST APIs, authentication, and software testing. Interested in full-stack development, problem-solving, and learning new technologies. Seeking an entry-level Software Developer or Full-Stack Developer opportunity.

Education

Orange City Institute of Management — Nagpur, India
Master of Computer Applications (MCA) — *2026 – Present*

G.H. Raisoni College of Arts, Commerce and Science — Nagpur, India
Bachelor of Computer Applications (BCA) — *2023 – 2026*

Technical Skills

Programming Languages: Java, JavaScript, TypeScript, Python, C++, HTML5, CSS3
Frontend: React.js, Next.js, Tailwind CSS, Bootstrap
Backend: Node.js, Express.js, Hono, REST APIs
Databases and ORM: PostgreSQL, MongoDB, Drizzle ORM, Mongoose
Tools and Testing: Git, GitHub, Postman, Vitest, Vercel, Render, Bun, Zod
Core Concepts: MVC Architecture, JWT Authentication, API Testing

Projects

Portfolio Platform | *Next.js, TypeScript, Tailwind CSS, Motion* — Live Demo
- Built and deployed a responsive personal portfolio to showcase technical skills, projects, and experience.
- Used AI-assisted development tools during website creation and worked with modern frontend technologies.
- Published the portfolio on Vercel with project, skills, and contact sections.

Authentication System | *React, Node.js, Express, MongoDB, Mongoose* — Jan 2026 – Feb 2026
- Developed a full-stack authentication application using React (Vite), Node.js, Express, and MongoDB.
- Implemented JWT-based authentication, email OTP verification, and password reset workflows.
- Designed RESTful APIs following MVC architecture and integrated transactional emails using Nodemailer.

Experience

Codveda Technologies — Dec 2025 – Jan 2026
Java Development Intern
- Practiced Core Java, collections, exception handling, software testing, and debugging.
- Built logic-based console applications to strengthen programming fundamentals and problem-solving.

Cognifyz Technologies — Aug 2025 – Sep 2025
Web Development Intern
- Developed responsive web pages using HTML, CSS, JavaScript, and TypeScript.
- Assisted with UI enhancements and Git-based development workflows.
